What is Stockapalooza?

Friends of Stock has many fundraisers throughout the year, but Stockapalooza is our biggest event. It's a fun, adult-only, casual evening with parents, staff, friends, and alumni in attendance. The night consists of food & drinks, an abundance of silent auction items, overflowing class baskets, impressive raffle items, a 50/50 Split the Pot and so much more! Monies raised help fund the ChiME music program, technology, STEAM, special events and activities for all Stock students. **This year's theme will be Bowties and Bubbly!**

Stock School would not be the incredible school that it is without the help and support from all the wonderful parents. As we get ready for Stockapalooza 2023, we are looking for your assistance to make this event as successful as possible. We are trying to get more parents involved in this great day so we are asking for your help early. Please fill out the form below and return it to your child's classroom teacher by **Friday, March 10th**. Thanks ahead of time for your support and loyalty to Stock School.
